

Associate Veterinarian

Position Overview

Do you want to be a part of a family-owned practice? Have you been yearning for a positive cultural environment to work in? Do you need to practice high-quality medicine with educated and strong support staff? If any of these sound like your cup of tea, then we have the perfect opportunity for you!

Location

Our hospital is located in Vineland, NJ. Conveniently located just under an hour away from Philadelphia, making it the perfect opportunity to take that day trip and enjoy the hustle and bustle of city life. If the big city isn't your scene, then don't worry you're under an hour from Atlantic City where the boardwalks, beaches, and casinos are calling your name! Vineland provides a history, local wineries, and exposure to agriculture making it a beautiful and quaint place to live, work, and have some fun.

Practice Overview

We have been serving the community since 1977 and have continued providing excellent veterinary services ever since. With a high demand for clients, teamwork is a pivotal part of the day-to-day ensuring patients get the best care possible. By using state-of-the-art equipment and technology we have a smooth process with client communication. For treating patients, we are equipped with in-house IDEXX, digital X-ray, high-end ultrasound, endoscopy, brand new anesthesia equipment, and more! Since culture and quality of life are extremely critical for our hospital, we always enjoy team-building workshops, continuing education opportunities, celebrating birthdays, holiday parties, and quarterly raffles. If you want an exceptional team, practicing with advanced technology, and working with great patients and clients, this is the ideal opportunity for you!
